

New York City Professional Development for Adult Educators

Principal Investigator: [Mary Jane Schmitt](#)

Funders: [New York City](#)

Website: <http://empower.terc.edu>

Building on TERC's *EmPower* curriculum and workshops, TERC will provide ongoing professional development opportunities for math educators in the NYC adult education system. This project will develop, implement, and evaluate the professional development model through a series of hands-on participatory workshops and support activities.
